**Subject:** Tega Cay sewage spills

I am requesting your assistance. As DHEC placed a **Notice of Violation** on the waste water treatment plants in Tega Cay January 7, 2014 and because these plants have continuously spilled sewage into Lake Wylie, as recently as January 11, 2014 with **no repercussions** other than this Notice, I am requesting that the **permits be held** until the problems are fixed permanently or the City has purchased the system.

Thank you,  
Kelly McBride  
Tega Cay resident
